

ABOUT ME

Hi there, I am a sophomore who is having a variety of skills as mentioned in the skill section. I have started a YouTube channel in collaboration with one of my friends in my 3rd semester of B. Tech., besides this, I am having a decent knowledge of Data Structures and Algorithms. Currently, I am learning Web Development and I have done up to the completion of Front End. Moreover, I am a Core Team Member in a Peer Programming Community namely "Decypher".
